This pattern is wonderful for using up your leftover yarn.

FINISHING OFF: I just repeated **Rows 3 and 4** one more time going completely around the lapghan. When I got to the corner, I did 3 DC, CH 1, 3DC in the same space. Fasten off.

For multi-color lapghan, I did two rows of each color.

For green and gold lapghan I did:
2 rows yellow
2 rows dark green
2 rows gold
4 rows lt. green
2 rows gold
2 rows dark green
4 rows yellow
2 rows dark green
2 rows gold
2 rows lt. green
Repeat the above 24 rows 2 more times then do 2 rows yellow, 2 rows dark green, 2 rows gold. I finished off with 2 rows of lt. green.
